Beloved friends and fellow laborers,

Tent Meetings in Concord, NC

For the first two weeks of August we had our ministry tent set up for nightly evangelistic meetings in Concord where we are based. Joel Crumpton, myself, and others came together to reach the lost and the sick of nearby communities. Glory to God, people were touched by God in different ways! Believers that came were revived and touched by God's fire; people were taught & equipped on Divine Healing; a few sick people were healed; among the lost that came, they either left with a convicted heart or gave their life to Jesus and had their sins forgiven under the tent. One man who was heavily addicted to alcohol refused to go to a church service for years. He came to the tent a few times where he was touched by God's power and received major breakthroughs. Among those who were filled with the Holy Spirit was one lady who recently had come out from jail. She came and was gloriously filled with the Holy Spirit. Now she is part of a local church!

Reaching Muslims in Chicago

In mid-August I took a small team of FIRE Ministry students to Chicago for a week where we received training in reaching Muslims & Hindus by experienced believers. Most afternoons and evenings, we were on the streets sharing the gospel with Muslims. We visited different neighborhoods meeting Muslims from all over the world. We witnessed to many people from: Pakistan, India, Turkey, Kyrgyzstan, Russia, China, Myanmar, Iran, Iraq, Syria, Yemen, Egypt, Tunisia, Somalia... It was awesome! We gave them the 'Jesus Film' which comes in many languages, and shared the gospel with our testimonies. We even met some who just started getting into Islam. God used us to impact them by bringing light and truth to them. We even got to pray with some!

Teaching Evangelism class at FIRE School of Ministry

This summer, FIRE School asked me if I could volunteer to teach the evangelism class for this trimester. It is an honor for me to have this opportunity to invest in the school and equip young students for the work of ministry- (Ephesians 4:11). So for these next 3 months, I am teaching the class "Evangelism By Fire". The class aims to ignite a passion for the lost and equip students with the qualities of a soul winner to effectively win our world in the last days' harvest. For this short season I will travel less and most outreach will be here in the Charlotte/ Concord area taking students to evangelize the lost in different ways of ministry.

Carol & I are so grateful to all who faithfully pray for us and support us to advance God's kingdom by reaching the lost and making disciples of the nations.

With much love- Fabian, Carol, Micah & Evangeline
